

MARJORIE M. MAULDIN

Marjorie M. Mauldin is President of EXECUTIVE FORUM. Since 1986, Margie has served as a consultant, advisor, and personal coach to presidents, senior executives, executive teams, and leaders throughout the Rocky Mountain region and nationwide.

Providing her clients expertise in organizational design and development, Margie understands the complex nature of organizations and leadership. This integrated insight is central to her consulting philosophy and approach. Margie's ability to work with clients in three areas simultaneously- organizational strategy, senior management team effectiveness, and executive coaching-distinguishes her and EXECUTIVE FORUM from more simplistic approaches that often overlook the integrated realities of organizational life.
